

Our University has instructed the affiliated colleges to implement necessary examination reforms in order to improve a good education. Therefore, our Institute has implemented the following examination reforms.

1. Implementation of online external examination system.
2. Allotment of students for exams under jumbling method.
3. Installation of CC cameras and monitoring of the students in the examination hall.

Moreover, the recorded footage of each and every University examination is sent to JNTUA University examination section as soon as the exams are over.
